Declaration

On the basis of and supplementary to our signed application for an INTERBUS conformance mark certificate, we recognize the guidelines for testing and certifying devices with an INTERBUS interface, the guidelines for issuing the INTERBUS system logo as a certification mark, the remaining stipulations of INTERBUS and the scale of fees for issuing the current conformance mark approval.

We furthermore declare that we, as the manufacturer of the stated device(s), or as the applicants, bear the responsibility for the manufacturing process. Furthermore, we declare that we are the manufacturer of the mentioned component(s) and that we, as applicant, are solely and exclusively liable to a third party for the mentioned component(s) as well as for their applicability and compatibility.
